**To:** The Arcata Fire District Board of Directors

**RE:** Local 4981 monthly report

Good evening. This monthly report will serve as an overview of activities, announcements, and special notifications that directly involve or are of reasonable relevance to Local 4981. You all are encouraged to ask any questions necessary to provide further clarification on any topic.

**Activities:**

-Members of Local 4981 assisted with teaching Recruit Academy 9 last month. Each instructional day was 8 hours of classroom and hands on training. Our recruits had the opportunity to learn from the majority of our members. Our instructors years of service ranged from 5 to over 15 years of service. I'd like to extend a special thank you to Training Captain and Local Secretary/Treasurer Tony Freeman for being the academy coordinator. His sacrifice of working Monday-Friday in addition to working his normally scheduled shifts speaks to his character and his desire to make Arcata Fire the best it can be is awe inspiring. Thank you Tony.

-Local 4981 added two new members. Ashley Foster and Chris Appleton.

-Two members—Captains Arly Allen and Evan Gibbs—staffed the water tender on a deployment down to Southern California to assist with Palisades Fire. They returned after 6 days of work.

-In an effort to further integrate into our communities, the Local joined the McKinleyville Chamber of Commerce. We look forward to networking with the Chamber and all of its members.

-Local member Russell Kadle participated in "The Pig Bowl" an annual Firefighter vs. Police football game held in Sacramento. He had a great time, and all of the fire personnel wore a special sticker on their helmets in honor and remembrance of former Local 4981 President Anthony Benelisha.

-Local 4981 has now existed for 10 years. We commemorated the occasion with a dinner for all members at 6Rivers Brewery. All members and spouses left with a gift. In the last 10 years we have learned so much. We are continuing to learn the best ways to maintain healthy relationships, political advocacy, philanthropy, and any way we can support the District's mission.

Respectfully submitted,

Marcus Lillard  
President, Local 4981

### **DISTRICT BUSINESS**

#### **1. Discussion of Board Communication with State Legislators Regarding Fire Service Concerns Related to Mid-and High-Rise Dormitories (Requested by President Loudenslager at the December 2024 Board Meeting)**

Director Loudenslager expresses his concerns regarding fire service concerns related to mid- and high-rise dormitories.

Concerns were raised about staffing levels, equipment needs (particularly ladder trucks), and the potential for mass casualty incidents.

The need for communication with state legislators regarding the District's concerns and the need for adequate funding and resources was emphasized.

The potential impact of the University's development on the District's service delivery and the need for the University to contribute to the costs of providing adequate fire protection were discussed.

Directors discussed possibly forming an ad hoc committee to address these concerns, including drafting letters to legislators and scheduling meetings with University officials.

Concerns were also raised about the potential impact of increased service demands on the District's budget and the need to explore possible funding mechanisms.

The Board will discuss the formation of an ad hoc committee to address these concerns at the next meeting.

The Board will explore potential avenues for communication with the University administration, including meetings with the interim president.

#### **2. Mad River Station Fuel Tank Removal and Disposal**

Chief Emmons summarized his staff notes aloud.

**Motion:** Director Mendosa made a motion, seconded by Director Loudenslager, to approve the expenditure of \$10,000 from the contingency fund to cover the cost of diesel tank removal.

**Motion:** Mendosa; Second Loudenslager

**Roll Call: Ayes;** Akana, Johnson, Mendosa, Loudenslager. **Absent:** Maynor

Motion carries

**3. Approval of Resolution 25-324 Declaring Surplus Property and Authorizing Disposal per District Surplus Property Policy**

Fire Chief Emmons summarized his staff notes aloud.

Staff explained that the items listed in Exhibit A are no longer needed, usable, or serviceable by the District. Disposal options were discussed, including selling items on platforms like GovDeals and potentially utilizing parts from unusable radios for repairs.

**Motion:** Mendosa; Second: Johnson

**Roll Call: Ayes;** Akana, Johnson, Mendosa, Loudenslager. **Absent:** Maynor

Motion carries

**4. Consideration and Approval of Resolution 25-325 Declaring Unit #L8291 as Surplus Property**

Staff presented Resolution 25-324, declaring Unit Number L8291 (a light rescue vehicle) surplus property. Staff explained that the unit was no longer needed due to changes in staffing and response plans. Staff proposed selling the unit and utilizing the proceeds to purchase a new Type 6 wildland fire engine. Staff estimated the potential sale value of Unit L8291 to be between \$150,000 and \$200,000. Staff recommended using Brindlee Mountain Fire Apparatus to sell the vehicle, as they have been used to sell surplus equipment.

Discussion ensued regarding the benefits of a Type 6 engine for wildfire response and its compatibility with regional and state-level strike teams.

**Motion:** A motion was made by Director Loudenslager and seconded by Director Mendosa to approve Resolution 25-324, declaring Unit Number L8291 as surplus property and authorizing the Fire Chief to dispose of the vehicle as outlined in the District's Surplus Property Policy and Guidelines.

**Motion:** Loudenslager; **Second:** Mendosa

**Roll Call: Ayes;** Akana, Johnson, Mendosa, Loudenslager. **Absent:** Maynor

Motion carries

**From:** Chris Emmons, Fire Chief  
**Subject:** District Counsel Provided Governance Workshop for Directors and Staff.

---

### **Background**

In January of 2024, Directors Akana and Maynor were appointed to the Fire Station Ad-Hoc Committee with their focus to be placed on future development of the Bayside property owned by the Arcata Fire District.

In December 2024, the Arcata Fire District and Arcata Volunteer Firefighters Association completed sale of the Downtown Arcata Fire Station to the District. With the completion of the sale, the need for immediate research of developing the Bayside property is no longer needed.

### **Recommendation**

Staff recommends the Board dissolve the Fire Station Ad-Hoc Committee.

### **FINANCIAL IMPACT:**

- No Fiscal Impact/Not Applicable
- Included in Budget:
- Additional Appropriation Requested:

**Subject:** Assign President and Immediate Past-President of the Board of the Fire Chief Evaluation Ad-Hoc Committee

---

### **Background**

Historically, the Fire Chief Evaluation Ad-Hoc Committee was comprised of the current year's Board President and Vice-President to conduct the Fire Chief's evaluation by June 30 of each year.

At the January 14, 2025, meeting, through the President of the Board, a request to have the Fire Chief Evaluation Ad-Hoc Committee be comprised of the current President and the immediate past President of the Board of Directors to maintain continuity.

The Ad-Hoc Committee currently exists with Directors Mendoza and Loudenslager as the committee Members. The committee this year would be President Akana (Current President) and Director Loudenslager (Immediate Past-President.)

### **Recommendation**

Staff recommends the Board consider and accept the change of assignees (President and Immediate Past-President) to the Fire Chief Evaluation Ad-Hoc Committee.

**Subject:** Consider Appeal for Adjustment of Special Tax and Benefit Assessments

---

**DISCUSSION:**

The Humboldt County 2024-2025 Property Tax Bills were issued in October this year and in accordance with Resolution 21-233, the District began accepting the Petition for Adjustment of Benefit Assessment and/or Special Tax. The submissions were vetted by District Counsel and were deemed complete and timely, meeting the minimum standards of the Resolution.

On Wednesday, January 8, 2025, written notices mailed, via first class mail, to all the petitioners that the Notice of Hearing – Property Assessment had been set for Tuesday, February 11, 2025, at 5:30 pm. The notice indicated the meeting would be held at the Arcata Fire District downtown station classroom, located at 631 9<sup>th</sup> Street, Arcata.

Although not required, the petitioner was advised they may appear at the time of the hearing and provide oral comments to supplement the written materials submitted with their petition. If the petitioner chooses not to be present, the Board will consider the petition based on the written submission.

District Counsel, Ryan Plotz, is present with a PowerPoint to assist the Board in rendering a decision. The Board will receive input from all parties involved and decide via voice vote motion.

**RECOMMENDATION:**

Staff recommends the Board follow the Appeal Meeting Process in Attachment 1 and render a decision on the appeal via voice vote motion.

    - a. *At the discretion of the Presiding Officer, staff and/or Board members may answer questions posed by the speakers during their testimony*
    - b. *Board members may ask staff to address questions raised by testimony or to clarify matters*
    - c. *The Board will debate or make motion on the matter*
6. Board Action
  - a. *Vote on the item;*
  - b. *Offer amendments or substitute motions to decide the matter;*
  - c. *Continue the matter to a later date for a decision.*

## Resolution Number: 21-232

### A RESOLUTION OF THE ARCATA FIRE PROTECTION DISTRICT BOARD OF DIRECTORS CERTIFYING THE RESULTS OF THE GENERAL ELECTION HELD NOVEMBER 3, 2020

**WHEREAS**, a statewide general election was held on Tuesday, November 3, 2020, at which time the qualified electors of the Arcata Fire Protection District voted upon Measure F, a measure proposing the imposition of a special tax as set forth in Ordinance No. 20-20 and attached and made a part hereof as “Exhibit B”; and

**WHEREAS**, in all respects the election was held and conducted, and the votes thereof received and canvassed and the returns thereof made and declared in the time, form and manner as required by the General Laws of the State of California governing elections for special districts; and

**WHEREAS**, the County Elections Department canvassed the returns of the election and has certified the results to this, the results were received by the Board Secretary and attached and made a part hereof as “Exhibit A”.

**NOW THEREFORE**, the Board of Directors of the Arcata Fire Protection District does resolve, declare, determine and order as follows:

SECTION 1. That the whole number of ballots cast in the District was 21,726.

SECTION 2. That the Measure voted for at the election was Measure F, Arcata Fire Protection District, Special Tax.

SECTION 3. That the number of votes in favor of Measure F is 15,720 and the number of votes in opposition to Measure F was 5,135.

SECTION 4. The Board of Directors does declare and determine that more than two-thirds of the qualified electors of the District voted in favor of Measure F, and, therefore, Ordinance No. 20-20 is approved and adopted (Exhibit B).

SECTION 5. The Board Secretary shall enter on the records of the Board of Directors, a statement of the result of the election (Exhibit A), showing: (1) the whole number of ballots cast in the District and (2) the total number of votes for and against Measure F.

SECTION 6. That the Board Directors shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

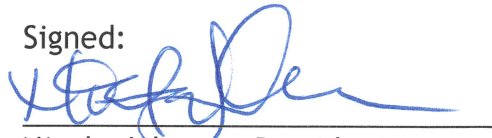

**ADOPTED, SIGNED AND APPROVED** at a duly called meeting of the Board of Directors for the Arcata Fire Protection District by the following polled vote:

Ayes: David, Maynor, Mendosa, Rosen and Johnson  
Nays: None

**Ordinance Number: 20-20**

**AN ORDINANCE OF THE ARCATA FIRE PROTECTION DISTRICT ADJUSTING THE RATE OF A FIRE PROTECTION SPECIAL TAX IN ORDER TO CONTINUE TO PROVIDE QUALITY LOCAL FIRE PROTECTION, RESCUE, AND OTHER ESSENTIAL SERVICES**

The people of the Arcata Fire Protection District do ordain as follows:

**SECTION 1. Authority.** Pursuant to the authority of Government Code Section 53978 and Article XIII A of the California Constitution, this Ordinance, if passed by two-thirds voter approval, would increase the Arcata Fire Protection District’s existing voter-approved special tax levied for fire protection, rescue, and emergency medical services and would supersede the existing special tax rate of \$5 per unit of benefit approved by qualified voters of the District in 1997 (Ordinance No. 97-010).

**SECTION 2. Purpose and Intent.** The proceeds from this special tax shall be used solely for the purpose of providing fire protection, rescue, and emergency medical services within the District. In particular, the special tax will be used to maintain and improve the current level of community-based fire protection services provided by the District. This includes annual budget support to maintain current firefighter positions, and provide for adequate firefighting equipment, apparatus, and necessary capital improvements, consistent with the needs of the residents of the District and the Fire Protection District Law of 1987.

**SECTION 3. Special Tax Rate.** Beginning with the 2020-21 fiscal year, the special tax shall be levied at flat rates based on the use of each taxable parcel of real property, in accordance with the schedule below:

	<u>Parcel use Category</u>	<u>Total Annual Charge</u>
A.	Vacant/unimproved:	\$30 per year
B.	Single-Family Residential:	\$118 per year
C.	Rural Residential/Improved:	\$192 per year
D.	Multi-Family Residential (2-4 units):	\$309 per year
E.	Multi-Family Residential (5-9 units):	\$388 per year
F.	Multi-Family Residential (10+ units):	\$465 per year
G.	Commercial:	\$546 per year

H.	Industrial:	\$910 per year
I.	Retail (10,000 + square feet):	\$910 per year
J.	Mobile Homes:	\$90 per year

- A. **Vacant/Unimproved:** Any vacant land or unimproved property.
- B. **Single-Family Residential:** A dwelling unit designed for occupancy by one household, located on a single parcel that does not contain any other dwelling unit (except an accessory dwelling unit, where permitted).
- C. **Rural Residential/Improved:** Low density residential or agricultural structures that generally rely upon onsite water systems, requiring the use of trucked-in water for fire suppression.
- D. **Multi-Family Residential (2-4 units):** 2 to 4 dwelling units within a single building, or structures on a parcel. Types of multiple-unit dwellings include, but are not limited to, duplexes, apartments, condominiums, and bed and breakfasts.
- E. **Multi-Family Residential (5-9 units):** 5 to 9 dwelling units within a single building, or structures on a parcel. Types of multiple-unit dwellings include, but are not limited to, apartments, condominiums, and bed and breakfasts.
- F. **Multi-Family Residential (10+ units):** ten or more dwelling units within a single building, or structures on a parcel. Types of multiple-unit dwellings include, but are not limited to, apartments, condominiums, and bed and breakfasts.
- G. **Commercial:** Commercial or institutional uses including but not limited to stores and retail businesses (less than 10,000 square feet), offices, restaurants and bars, service stations, auto repair, hotels, motels, day care facilities, professional business parks, and similar uses.
- H. **Industrial:** Industrial uses including but not limited to manufacturing, packaging, shipping, recycling, industrial parks, wood products, energy production, and similar uses.
- I. **Retail (10,000 + square feet):** a retail business that occupies 10,000 or more square feet.
- J. **Mobile Home Site:** an area of land within a mobile home park that is rented, or held out for rent, to accommodate a mobile home used for human habitation. A mobile home park is an area of land where two or more mobile home sites are rented, or held out for rent, to accommodate mobile homes used for human habitation. A mobile home is a structure designed for human habitation and for being moved on a street or highway, including, but not limited to, manufactured homes, motor homes, and recreational vehicles.

**SECTION 4. Appeals.** Any property owner may appeal any determination by the District concerning the nature of the use of the property or the calculation of the amount of the tax by filing a written appeal with the District. Any such appeal shall be filed by December 1<sup>st</sup> of the calendar year for which the tax is levied. The appeal shall contain a statement by the property owner as to the nature and basis for the appeal in accordance with the District's appeal procedure.

**SECTION 5. Method of Collection.** On or about July 1<sup>st</sup> of each year, but in any event in sufficient time to include the levy of the special tax on the County's secured tax roll, the District shall determine the use category and related tax amount representing each parcel of real property within the District subject to the special tax. Parcels subject to levy shall be determined based upon the records of the Humboldt County Assessor or, in lieu thereof, upon such other reliable public records available to the District.

The special tax shall be collected in the same manner and subject to the same penalty as, or with, other taxes fixed and collected by Humboldt County on behalf of the Arcata Fire Protection District. The County of Humboldt may deduct reasonable expenses incurred for such service before remitting the balance to the District. Notwithstanding the foregoing, the District may, in its discretion, directly bill and collect the special tax for certain types of parcel use categories or property owners. In the event of a delinquency in the payment of directly billed special taxes, the delinquency shall be subject to a 10% penalty and an administrative cost of \$20.00.

**SECTION 6. Special Account.** Upon receipt of the special taxes the District shall cause same to be deposited in a special tax account or such other account established by the District which allows the District to properly account for the special taxes in compliance with the provisions of Government Code Section 50075.1. Funds deposited into this account cannot be used for any other purpose than those outlined in Section 2 of this Ordinance.

**SECTION 7. Authorization for Appropriations Limit Increase.** To the extent that the revenue from the special taxes enacted by this Resolution are in excess of the appropriations limit for the District, as calculated in accordance with the provisions of Article XIII B of the California Constitution and applicable statutory provisions, the approval of this special tax by the voters shall constitute approval to increase the District's spending limit in an amount equal to the revenue derived from the special tax, for the maximum period of time as allowed by law.

**SECTION 8. Annual Report.** In accordance with Government Code Section 50075.3, the District's Fire Chief, as the chief fiscal officer of the District, shall file a report with the District Board at least once a year. The annual report shall contain the following: (a) the amount of funds collected and expended; and (b) the status of any project required or authorized to be funded with the proceeds of the special tax.

**SECTION 9. Severability.** If any part of this Ordinance is held to be invalid for any reason, such decision shall not affect the remaining portion of this Ordinance.

**SECTION 10. Effective Date and Sunset Date.** This Ordinance shall be effective only at such time as the District Board has declared that the Ordinance has been approved  
*Ordinance No. 20-20*

by two-thirds of the voters voting at an election to be held on November 3, 2020. Should this Ordinance not be approved, Ordinance No. 97-010 (approved by voters in 1997) will remain in full force and effect. Notwithstanding the above, if this Ordinance is approved, the special tax shall be collected at the rates established by this Ordinance beginning with the 2020-2021 fiscal year until June 30, 2030, at which time the special tax shall be repealed by operation of law, unless extended in accordance with law.

**SECTION 11. Certification.** The District Secretary shall certify to the passage and adoption of this Ordinance and shall cause a copy of the full text of the Ordinance to be posted.

**ORDINANCE No. 06-12**

**AN ORDINANCE OF THE ARCATA FIRE PROTECTION DISTRICT**  
**ESTABLISHING A BENEFIT ASSESSEMENT TO FINANCE FIRE**  
**PROTECTION AND PREVENTION SERVICES**

**WHEREAS**, The Arcata Fire Protection District is unable to provide adequate Fire Protection and Prevention Services within the District with existing financial resources: and

**WHEREAS**, additional funds are necessary to provide an adequate level of service to the property within the Arcata Fire Protection District: and

**WHEREAS**, The Board of Directors of the Arcata Fire Protection District, pursuant to the requirements of Article XIID of the California State Constitution, has submitted the matter to the property owners of the District: and

**WHEREAS**, the number of ballots submitted in favor of the Benefit Assessment exceeded the number of ballots in opposition,

**NOW, THEREFORE**, The Board of Directors of the Arcata Fire Protection District ordains as follows:

Section 1: This ordinance and the Benefit Assessment authorized herein is adopted by The Arcata Fire Protection District (“District”) pursuant to Article XIID of the California State Constitution and Government Code sections 50078 and 53753, et seq.

Section 2: The express purpose for which this Benefit Assessment is levied is to establish a stable source of supplementary funds to obtain, furnish, operate and maintain fire suppression equipment or apparatus, or for the purpose of paying the salaries and benefits of firefighting and prevention personnel, or both, whether or not fire suppression or prevention services are actually used by or upon a parcel, improvement, or property.

Section 3: Any funds collected from the Benefit Assessment authorized by this ordinance shall be expended only for such fire suppression and prevention services within the District. Any unexpended funds raised by the assessment remaining at the end of the year shall be carried over for the same purpose in the next fiscal year.

Section 4: On July 20, 2006, The District Board of Directors (“Board”) conducted a public hearing upon the establishment of the Benefit Assessment levied by this ordinance. Of the ballots received prior to the end of the public hearing, the number of ballots in opposition did not exceed the number of ballots in favor.

Section 5: The following units of benefit per year shall be assessed on all real property parcels within the boundaries of the District that have special benefit conferred upon them. Each unit of benefit shall not exceed Twenty-Two dollars (\$22.00) per year. The Board shall from time to time establish, by resolution, benefit charges assessed on all real property parcels of the District, subject to the maximum value of per unit of benefit shown above.

The above unit(s) of benefit attributed to each described land use type (shown in Attachment 'A') based on the type of use of the property and a risk classification of the structures or other improvements on, or the use of, the property. Risk classifications were determined upon consideration of, but not limited to, the factors set forth in section 50078.2 of the Government Code.

Section 6: The Benefit Assessment shall be collected, beginning with the 2006-2007 fiscal year, in the same manner and subject to the same penalties as, or with, other charges and taxes fixed and collected by Humboldt County on behalf of the District. The County may deduct its reasonable costs incurred for such service before remittal of the balance to the District.

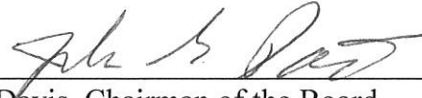

Section 7: Each property owner in the District shall, within thirty (30) days after the mailing of the notice of the Benefit Assessment bill for that fiscal year, have the right to file a written appeal with the District protesting the levy of such Benefit Assessment. The filing of an appeal is not grounds for failing to timely pay the amount of assessment specified as due of the assessment bill. If the benefit assessment is either reduced or increased as a result of the decision by the Board, the benefit assessment shall either be refunded or the increased amount collected. The property owner, or their designated representative may be present at the appeal hearing concerning the setting of the Benefit Assessment rate.

Section 8: If any section, subsection, sentence, phrase or clause of this Ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of the Ordinance. The Board of Directors of the Arcata Fire Protection District here declare that they would have adopted the Ordinance and each section despite the fact that one or more sections, subsections, phrases or clauses be declared invalid.

Section 9: This ordinance shall take effect immediately upon adoption by the Board, and prior to the expiration of fifteen (15) days from the passage hereof, shall be published once in the *Arcata Eye*, a newspaper published in the City of Arcata, State of California, together with the names of the members of the Board voting for and against the same.

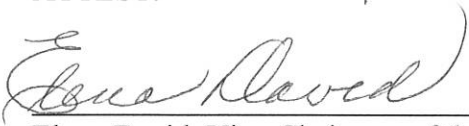

The foregoing Ordinance was passed and adopted by the Board of Directors of the Arcata Fire Protection District on this 31<sup>st</sup> day of July, 2006 at the meeting of said Board, duly called and held on the same day by the following vote:

## Resolution Number: 21-233

### A RESOLUTION OF THE ARCATA FIRE PROTECTION DISTRICT BOARD OF DIRECTORS ADOPTING POLICIES FOR THE CONDUCT AND HEARING OF CHALLENGES TO USE CLASSIFICATIONS UNDER ORDINANCE NO. 20-20 (MEASURE F) AND ORDINANCE 06-12

**WHEREAS**, the District levies and collects a Benefit Assessment pursuant to Ordinance No. 06-12 (herein after, the “benefit assessment”); and

**WHEREAS**, the qualified voters of the Arcata Fire Protection District (“District”) approved, by the requisite two-thirds threshold, Measure F (Ordinance No. 20-20), an ordinance adjusting the rates of a fire protection special tax; and

**WHEREAS**, the rates set forth in Measure F will be imposed and collected beginning with the 2021-2022 fiscal year by and through the County of Humboldt real property tax process; and

**WHEREAS**, Ordinance No. 06-12 and Measure F impose certain rates depending on the assigned parcel use category; and

**WHEREAS**, Section 7 of Ordinance No. 06-12 and Section 4 of Measure F authorizes property owners responsible for payment of the benefit assessment and/or special tax to appeal any determination by the District concerning the nature of the use of the property or the calculation of the amount of the tax by filing a written appeal with the District; and

**WHEREAS**, by way of this Resolution, the Board of Directors desire to provide procedures for the review and consideration of any such appeal.

**NOW, THEREFORE**, the Board of Directors of the Arcata Fire Protection District does resolve as follows:

**Section 1. Timely Submission of Appeal.** Any property owner intending to submit an appeal for the current fiscal year benefit assessment and/or special tax classification shall submit the appeal in writing in the manner described in Section 2, below, and submit it to the District so that the written appeal is received (either by mail or in person) by the District on or before December 1 of the current fiscal year. Any appeal received by the District on a federal holiday or weekend shall be deemed received on the immediately preceding business day. A property owner may not submit an appeal for any fiscal year other than the current fiscal year.

**Section 2. Form and Content of Appeal.** All appeals shall be submitted in writing, signed by the property owner or, in the event the property owner is an

entity, by an authorized representative of the entity. The District may provide an optional form for property owners to utilize when submitting an appeal. Each written appeal shall include all of the following:

- (a) The legal names of all property owners as appearing on the latest secured tax roll for Humboldt County.
- (b) The address and/or assigned County Assessor Parcel Number (APN) for the particular parcel being appealed.
- (c) The mailing address for the District to utilize for all communications to the property owner concerning the appeal.
- (d) Whether the appeal is of the benefit assessment, the special tax, or both;
- (e) The amount of benefit assessment and/or special tax, as applicable, imposed by the District for the current fiscal year.
- (f) The amount the property owner contends should be imposed for the benefit assessment and/or special tax, as applicable.
- (g) That the property owner is not delinquent in the payment of the benefit assessment and special tax, as applicable, for the particular fiscal year.
- (h) The zoning classification assigned to the particular property by governmental entity (e.g., County or City of Arcata) having land use authority over the parcel.
- (i) The parcel use category that the property owner contends should be utilized for the particular parcel and the basis therefor. The Property Owner shall provide a written narrative, with as much specificity as available, of the property owner's position.
- (j) Any documentary evidence or other support that the property owner would like the Board of Directors to consider as part of the appeal.
- (k) The written submission shall contain the following just above the signature of the property owner:

"I/We declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this [INSERT DAY] day of [INSERT MONTH], [INSERT YEAR]."

### **Section 3. Consideration of Appeal.**

- (a) **Initial Screening.** All appeals received shall be initially screened for timeliness and completeness by the Fire Chief or his designee. Any appeal that is rejected because it was not timely received shall be rejected by the Fire Chief with written notice thereof sent to the property owner via first class mail. Any appeal that fails to contain the information required in Section 2 shall be returned to the property owner via first class mail with a notice of incomplete appeal, describing the required information that was omitted and informing the property owner that he or she shall have a period of ten (10) days from the date the notice of incomplete appeal is postmarked to submit a complete appeal. If a property owner fails to submit the complete appeal on or before the expiration of the ten (10) day period, the appeal shall be deemed rejected without further notice. Any decision to reject an appeal under this sub-section shall be final and there shall be no appeal to the Board of Directors.

- (b) **Hearing before the Board of Directors; Scheduling.** Appeals not rejected under sub-section “a”, above, shall be presented to the Board of Directors for a hearing before Board of Directors’ on or before February 28. The District shall provide written notice via first class mail to the property owner of the time and date set for hearing at least ten (10) days before the hearing. The property owner need not be present for the appeal to be considered. In the absence of the property owner, the Board shall proceed to consider the property owner’s position on the basis of the written appeal.
- (c) **Hearing before the Board of Directors; Hearing.** At the hearing on the matter, the Board of Directors shall consider the written appeal submitted by the property owner, written submission (if any) by the Fire Chief, the Fire Chief’s oral report and position statement, and any oral comments by the property owner or his or her representative at the hearing. The Board of Directors shall consider any relevant information and shall not be bound by any technical rules of evidence.
- (d) **Hearing before the Board of Directors; Burden of Proof.** In all cases, the property owner shall bear the burden of proof to demonstrate by that the parcel use category was erroneously assigned or the amount levied is inaccurate.
- (e) **Hearing before the Board of Directors; Relevant Considerations.** The Board of Director shall, among other things, consider each of the following when making its decisions:
- I. The parcel use category previously assigned to the property.
  - II. The zoning use designation assigned to the property, giving substantial weight to the zoning classification and maximum allowable use thereunder.
  - III. The actual use made of the property. To the extent the property owner contends that the actual use of the property is different than the allowable use allowed under the applicable zoning regulations, the property owner shall produce clear and convincing evidence of the actual use. Clear and convincing evidence includes corroborating evidence beyond the mere statement of the property owner.
  - IV. Such other and additional evidence as the Board of Directors may consider relevant.
- (f) **Hearing by the Board of Directors; Decision.** The Board of Directors shall make a decision, by majority vote, on the matter by way of a motion to grant or deny the appeal at the conclusion of the hearing. No written decision of findings shall be required. In the event the property owner is not present at the hearing, the Fire Chief shall provide written notice of the decision to the property owner via first class mail. The Board of Directors’ decision shall be final for the particular fiscal year.

**Section 4. Successful Appeals.** In the event the appeal is successful, the District shall refund any overage paid and provide written notice to the County regarding the reclassification. A successful appeal shall not restrict or otherwise bind the District to any parcel use classification for any subsequent fiscal year.

## **Section 5. Special Considerations Regarding Accessory Dwelling Units.**

Pursuant to Section 3 of Ordinance No.20-20, a property assigned the Parcel Use Category of Single Family Residential is taxed at a lower rate than a property assigned Multi-Family Residential. In making determinations whether a property should be assigned Single Family Residential or Multi-Family Residential, the following rules shall apply:

- (a) **Zoning Designation.** The District shall assign a residential parcel use category based on the largest allowable use permitted under the applicable zoning regulations, provided, however, that the District may downgrade the parcel use category if a visual observation from the nearest public road demonstrates clearly that a lesser use is being made of the property. The District shall not be obligated to make any such visual inspection.
- (b) **ADUs and Single-Family Zoned Parcel.** In the case of a property zoned to permit no more than one single family residence, the District shall assume that an additional accessory structure used as a dwelling is an accessory dwelling unit (“ADU”), as described in Section 3 of Ordinance No. 20-20, provided the particular zoning regulations or state law allow for an accessory dwelling unit on that property.
- (c) **ADUs and Multi-Family Zoned Parcel.** In the case of a property zoned to allow for multi-family use (i.e., more than one primary dwelling unit), the District shall assign a parcel use category based on the allowable units permitted under the applicable zoning regulations or, in the event the zoning regulations do not specify the maximum allowable units, the number of units located on the property based on a visual inspection. In the event a property owner submits an appeal to reclassify a multi-family zoned parcel to a single-family parcel with an accessory dwelling unit, the following shall be considered by the Board of Directors:
  - I. There shall be a strong presumption that any property zoned to permit more than one single-family residence shall be assigned a Multi-Family Residential parcel use category.
  - II. In no case shall the District reassign a Multi-Family parcel with three or more separate dwelling units to a Single-Family parcel use category.
  - III. In considering whether a Multi-Family assigned parcel with two separate dwelling units shall be reclassified as Single-Family with an ADU, the following factors shall be considered:
    - a. The size (in square foot) of the primary structure to the claimed accessory structure, it being understood that a Multi-Family designation is more appropriate if the claimed ADU is equal or similar in size to the primary structure.
    - b. The appearance of the two structures, it being understood that an ADU is typically a secondary unit to the primary structure in use and appearance.
    - c. Whether the particular zoning regulations allow for the construction of an ADU on the multi-family zoned parcel.

- d. Whether the claimed ADU has a separate mailing address.
- e. Whether the claimed ADU has a separate and distinct entrance that is visible from the road frontage.
- f. Whether the claimed ADU is separately metered and bill by the public utilities servicing the property.
- g. Whether the claimed ADU is recognized as an ADU by the government entity having land use authority over the property.
- h. Whether the claimed ADU is occupied by relatives of the property owner or is rented to third party, non-relatives.

**ADOPTED, SIGNED AND APPROVED** at a duly called meeting of the Board of Directors of the Arcata Fire Protection District by the following polled vote:

# ARCATA FIRE DISTRICT

## Petition for Adjustment of Benefit Assessment and/or Special Tax

A property owner of the Arcata Fire Protection District may appeal the use of property or the calculation of the Benefit Assessment and/or the Special Tax. An appeal may only be submitted for the current fiscal year. All petitions will be considered pursuant to Resolution 21-232. You may obtain a copy of Resolution 21-232 by contacting the District Office.

**Filing deadline for an appeal for the 2024-2025 Property Tax Bill shall be 5:00 pm on December 2, 2024.**

I do hereby petition the Arcata Fire District Board of Directors for a review of (place a "x" as applicable):

- Arcata Fire District Benefit Assessment Charge for FY2024-2025
- Arcata Fire District Special Tax for FY2024-2025

### SECTION ONE – Property Identification Information

Assessor Parcel Number: 503-224-007-000

Property Address: 211 G St. Arcata, Ca. 95521

Zoning Designation Applied by City or County: Medium Density Residential

Arcata Fire District Benefit Assessment Charge for FY2024-2025 \$ 220

Arcata Fire District Special Tax for FY2024-2025 \$ 546

### SECTION TWO – Reason for filing appeal

Please provide specific reason(s) why the Benefit Assessment and/or Special Tax is being challenged. Among other things you may wish the District to consider, please state the parcel use category you contend should have been assigned to your property and all facts supporting your contention. (Use additional sheets as necessary.) You may attach permits, maps, pictures, letters or other data to substantiate the challenge.

Based on Resolution Number 21-233, 2021-2022 Section 2 Form and content of the Appeal

- (e) Commercial Office (5101) charged at \$766.
- (f) Contend I should pay \$206. (Improved Single Family Residential.
- (g) Not delinquent

(over)

(h) The zoning by Arcata is Residential Medium Density.

(i) The parcel use category should be Improved single family Residential (1100) at \$206. with a non-conforming land use for the 300 sq. ft. "shop".

### Section 3 Consideration of Appeal

I The parcel was reclassified to land use code 1100 by the Board on 9/8/2020 - see minutes. # Medium Density Residential with a non-conforming use for shop.

III The "shop" is 22% of the size of my home in which I live. Any tax deduction related to the shop can't exceed that amount. The house I live in is the greater use because unlike the shop without my house I and my daughter would have no where to live. Unless as Sean Campbell formerly of the District told me I should live in the shop instead.

City of Arcata – Community Development Department

May 21, 2021

George Green  
211 South G St  
Arcata, CA 95521

Mr. Green:

The City of Arcata is aware of a business formerly known as Skidmore's Barbershop operating on **your residential property**. The City of Arcata Coastal Land Use and Development Guide, as well as the Land Use Code both have provisions for maintaining non-conforming land use activities (attached). Based on the historic use, it is our opinion that the barbershop is a **non-conforming use**.

Joe Mateer, Senior Planner

The Zoning Administrator shall use any available information and may conduct hearings to verify the period of abandonment.

- (2) Nonconforming Residential Building Or Structure. Any *nonconforming* residential building or structure which becomes vacant and remains unoccupied for a continuous period of one (1) year shall not thereafter be occupied unless it is first modified to conform to the requirements of the *district* in which it is located. Except, however, that such *building* or *structure* may be re-occupied after such time period if authorized to do so through approval of a *Variance* pursuant to Section 1-0401 VARIANCES, or recordation of a Reduced Setback Option Agreement as provided in subsection 1-0302.6 (Reduced Setback Option; YARDS). The Zoning Administrator shall use any available information and may conduct hearings to verify the period of abandonment.

Section 1-0310.5 Nonresidential Nonconforming Uses and Structures.

- (a) Change from a Nonconforming Use to a Conforming Use. Any nonresidential use which is *nonconforming* wholly or partly because it is not itself a *permitted use* in the *district* within which it is located may be changed to a permitted or conditionally *permitted use* (subject to the *conditional use* permit procedures in Section 1-0402 CONDITIONAL USE PERMITS)

- (b) Change from One Nonconforming Use to Another Nonconforming Use. The Zoning Administrator may issue a *conditional use* permit to authorize a *nonconforming use* to be changed to another *nonconforming use* upon a determination that:

1(a) the new *nonconforming use* can be carried out without injury to the residents of adjacent properties and of the neighborhood, or

1(b) the benefit to the public health, safety or welfare will exceed any detriment inherent in such change;

and

(2) the change will conform to the policies contained in the Arcata General Plan, and

(3) no greater degree of nonconformity will result from the change.

- (c) Expansion of a Nonconforming Use. No enlargement, reconstruction or construction of a *building* or *structure* which contains a nonresidential, *nonconforming use* shall be permitted unless a *conditional use* permit is issued by the Zoning Administrator based on the determination that:

(1) the enlargement, reconstruction or construction will reduce the adverse impact of the *nonconforming use* on surrounding properties; and

(2) the enlargement, reconstruction or construction will comply with the other regulations of the zoning *district* which applies to the property; and

(3) that no greater degree of nonconformity will result from the change.

(d) Restoration of Damaged Structures. A nonresidential *nonconforming building* or *structure* or a *building* containing a *nonconforming use* may be restored to its prior condition and *use* if it is destroyed to the extent of less than fifty percent (50%) of its market value by any cause. If such damage or destruction exceeds fifty percent (50%) of said value, as determined by the City Building Official then the *building* or *structure* and its *use* shall only be restored upon approval of a *Conditional Use Permit*. The Zoning Administrator may issue a *Conditional Use Permit* to authorize such restoration upon finding that:

(1) the restoration will not result in any significant adverse impacts on surrounding properties; and

(2) the restoration will comply with the other regulations of the zoning *district* which applies to the property; and

(3) no greater degree of nonconformity will result from the restoration.

(e) Abandonment. Any *nonconforming nonresidential building* or *structure* which becomes vacant and remains unoccupied for a continuous period of six (6) months shall not thereafter be occupied unless it is first modified to conform to the requirements of the *district* in which it is located. The Zoning Administrator shall use any available information, including business license records of the City of Arcata, and may conduct hearings to verify the period of abandonment.

(f) Alteration of nonresidential *nonconforming structure.* A nonresidential *nonconforming structure* may be altered provided that it does not become less in conformance with the applicable zoning standards as a result.

#### Section 1-0310.6. *Nonconforming Site Conditions.*

A change of *use* or *building floor area* on a *lot* which is *nonconforming* as to site conditions may only occur where the following conditions are met:

(a) The *nonconforming* conditions are not changed in a way that results in a greater degree of nonconformity; or

(b) A *Conditional Use Permit* pursuant to the procedures and finding specified in Section 1-0402 **CONDITIONAL USE PERMITS** is issued by the Planning Commission upon finding that:

**Resolution Number: 21-233**

**A RESOLUTION OF THE ARCATA FIRE PROTECTION DISTRICT BOARD OF DIRECTORS ADOPTING POLICIES FOR THE CONDUCT AND HEARING OF CHALLENGES TO USE CLASSIFICATIONS UNDER ORDINANCE NO. 20-20 (MEASURE F) AND ORDINANCE 06-12**

**WHEREAS**, the District levies and collects a Benefit Assessment pursuant to Ordinance No. 06-12 (herein after, the “benefit assessment”); and

**WHEREAS**, the qualified voters of the Arcata Fire Protection District (“District”) approved, by the requisite two-thirds threshold, Measure F (Ordinance No. 20-20), an ordinance adjusting the rates of a fire protection special tax; and

**WHEREAS**, the rates set forth in Measure F will be imposed and collected beginning with the 2021-2022 fiscal year by and through the County of Humboldt real property tax process; and

**WHEREAS**, Ordinance No. 06-12 and Measure F impose certain rates depending on the assigned parcel use category; and

**WHEREAS**, Section 7 of Ordinance No. 06-12 and Section 4 of Measure F authorizes property owners responsible for payment of the benefit assessment and/or special tax to appeal any determination by the District concerning the nature of the use of the property or the calculation of the amount of the tax by filing a written appeal with the District; and

**WHEREAS**, by way of this Resolution, the Board of Directors desire to provide procedures for the review and consideration of any such appeal.

**NOW, THEREFORE**, the Board of Directors of the Arcata Fire Protection District does resolve as follows:

**Section 1. Timely Submission of Appeal.** Any property owner intending to submit an appeal for the current fiscal year benefit assessment and/or special tax classification shall submit the appeal in writing in the manner described in Section 2, below, and submit it to the District so that the written appeal is received (either by mail or in person) by the District on or before December 1 of the current fiscal year. Any appeal received by the District on a federal holiday or weekend shall be deemed received on the immediately preceding business day. A property owner may not submit an appeal for any fiscal year other than the current fiscal year.

**Section 2. Form and Content of Appeal.** All appeals shall be submitted in writing, signed by the property owner or, in the event the property owner is an

entity, by an authorized representative of the entity. The District may provide an optional form for property owners to utilize when submitting an appeal. Each written appeal shall include all of the following:

- (a) The legal names of all property owners as appearing on the latest secured tax roll for Humboldt County.
- (b) The address and/or assigned County Assessor Parcel Number (APN) for the particular parcel being appealed.
- (c) The mailing address for the District to utilize for all communications to the property owner concerning the appeal.
- (d) Whether the appeal is of the benefit assessment, the special tax, or both;
- (e) The amount of benefit assessment and/or special tax, as applicable, imposed by the District for the current fiscal year.
- (f) The amount the property owner contends should be imposed for the benefit assessment and/or special tax, as applicable.
- (g) That the property owner is not delinquent in the payment of the benefit assessment and special tax, as applicable, for the particular fiscal year.
- (h) The zoning classification assigned to the particular property by governmental entity (e.g., County or City of Arcata) having land use authority over the parcel.
- (i) The parcel use category that the property owner contends should be utilized for the particular parcel and the basis therefor. The Property Owner shall provide a written narrative, with as much specificity as available, of the property owner's position.
- (j) Any documentary evidence or other support that the property owner would like the Board of Directors to consider as part of the appeal.
- (k) The written submission shall contain the following just above the signature of the property owner:

"I/We declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this [INSERT DAY] day of [INSERT MONTH], [INSERT YEAR]."

### Section 3. Consideration of Appeal.

- (a) **Initial Screening.** All appeals received shall be initially screened for timeliness and completeness by the Fire Chief or his designee. Any appeal that is rejected because it was not timely received shall be rejected by the Fire Chief with written notice thereof sent to the property owner via first class mail. Any appeal that fails to contain the information required in Section 2 shall be returned to the property owner via first class mail with a notice of incomplete appeal, describing the required information that was omitted and informing the property owner that he or she shall have a period of ten (10) days from the date the notice of incomplete appeal is postmarked to submit a complete appeal. If a property owner fails to submit the complete appeal on or before the expiration of the ten (10) day period, the appeal shall be deemed rejected without further notice. Any decision to reject an appeal under this sub-section shall be final and there shall be no appeal to the Board of Directors.

- (b) **Hearing before the Board of Directors; Scheduling.** Appeals not rejected under sub-section "a", above, shall be presented to the Board of Directors for a hearing before Board of Directors' on or before February 28. The District shall provide written notice via first class mail to the property owner of the time and date set for hearing at least ten (10) days before the hearing. The property owner need not be present for the appeal to be considered. In the absence of the property owner, the Board shall proceed to consider the property owner's position on the basis of the written appeal.
- (c) **Hearing before the Board of Directors; Hearing.** At the hearing on the matter, the Board of Directors shall consider the written appeal submitted by the property owner, written submission (if any) by the Fire Chief, the Fire Chief's oral report and position statement, and any oral comments by the property owner or his or her representative at the hearing. The Board of Directors shall consider any relevant information and shall not be bound by any technical rules of evidence.
- (d) **Hearing before the Board of Directors; Burden of Proof.** In all cases, the property owner shall bear the burden of proof to demonstrate by that the parcel use category was erroneously assigned or the amount levied is inaccurate.
- (e) **Hearing before the Board of Directors; Relevant Considerations.** The Board of Director shall, among other things, consider each of the following when making its decisions:
- I. The parcel use category previously assigned to the property.
  - II. The zoning use designation assigned to the property, giving substantial weight to the zoning classification and maximum allowable use thereunder.
  - III. The actual use made of the property. To the extent the property owner contends that the actual use of the property is different than the allowable use allowed under the applicable zoning regulations, the property owner shall produce clear and convincing evidence of the actual use. Clear and convincing evidence includes corroborating evidence beyond the mere statement of the property owner.
  - IV. Such other and additional evidence as the Board of Directors may consider relevant.
- (f) **Hearing by the Board of Directors; Decision.** The Board of Directors shall make a decision, by majority vote, on the matter by way of a motion to grant or deny the appeal at the conclusion of the hearing. No written decision of findings shall be required. In the event the property owner is not present at the hearing, the Fire Chief shall provide written notice of the decision to the property owner via first class mail. The Board of Directors' decision shall be final for the particular fiscal year.

**Section 4. Successful Appeals.** In the event the appeal is successful, the District shall refund any overage paid and provide written notice to the County regarding the reclassification. A successful appeal shall not restrict or otherwise bind the District to any parcel use classification for any subsequent fiscal year.

**Section 5. Special Considerations Regarding Accessory Dwelling Units.**

Pursuant to Section 3 of Ordinance No.20-20, a property assigned the Parcel Use Category of Single Family Residential is taxed at a lower rate than a property assigned Multi-Family Residential. In making determinations whether a property should be assigned Single Family Residential or Multi-Family Residential, the following rules shall apply:

- (a) **Zoning Designation.** The District shall assign a residential parcel use category based on the largest allowable use permitted under the applicable zoning regulations, provided, however, that the District may downgrade the parcel use category if a visual observation from the nearest public road demonstrates clearly that a lesser use is being made of the property. The District shall not be obligated to make any such visual inspection.
- (b) **ADUs and Single-Family Zoned Parcel.** In the case of a property zoned to permit no more than one single family residence, the District shall assume that an additional accessory structure used as a dwelling is an accessory dwelling unit (“ADU”), as described in Section 3 of Ordinance No. 20-20, provided the particular zoning regulations or state law allow for an accessory dwelling unit on that property.
- (c) **ADUs and Multi-Family Zoned Parcel.** In the case of a property zoned to allow for multi-family use (i.e., more than one primary dwelling unit), the District shall assign a parcel use category based on the allowable units permitted under the applicable zoning regulations or, in the event the zoning regulations do not specify the maximum allowable units, the number of units located on the property based on a visual inspection. In the event a property owner submits an appeal to reclassify a multi-family zoned parcel to a single-family parcel with an accessory dwelling unit, the following shall be considered by the Board of Directors:
  - I. There shall be a strong presumption that any property zoned to permit more than one single-family residence shall be assigned a Multi-Family Residential parcel use category.
  - II. In no case shall the District reassign a Multi-Family parcel with three or more separate dwelling units to a Single-Family parcel use category.
  - III. In considering whether a Multi-Family assigned parcel with two separate dwelling units shall be reclassified as Single-Family with an ADU, the following factors shall be considered:
    - a. The size (in square foot) of the primary structure to the claimed accessory structure, it being understood that a Multi-Family designation is more appropriate if the claimed ADU is equal or similar in size to the primary structure.
    - b. The appearance of the two structures, it being understood that an ADU is typically a secondary unit to the primary structure in use and appearance.
    - c. Whether the particular zoning regulations allow for the construction of an ADU on the multi-family zoned parcel.

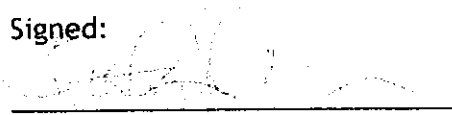

- d. Whether the claimed ADU has a separate mailing address.
- e. Whether the claimed ADU has a separate and distinct entrance that is visible from the road frontage.
- f. Whether the claimed ADU is separately metered and bill by the public utilities servicing the property.
- g. Whether the claimed ADU is recognized as an ADU by the government entity having land use authority over the property.
- h. Whether the claimed ADU is occupied by relatives of the property owner or is rented to third party, non-relatives.

**1. CALL TO ORDER**

The regular session of the Board of Directors for the Arcata Fire District was called to order by President Nicole Johnson at 5:34 pm.

**2. PLEDGE OF ALLEGIANCE**

The Pledge of Allegiance has been suspended during Shelter in Place.

**3. ATTENDANCE AND DETERMINATION OF A QUORUM**

The meeting continued with a quorum and the following were present remotely via zoom: President Nicole Johnson, Vice President Randy Mendosa, Director Rene Campbell, Director Elena David and Director David Rosen.

Additional District administrative staff included Fire Chief Justin McDonald, and Board Secretary Becky Schuette.

**4. APPROVAL OF AGENDA**

There were no comments from the public or the Board.

It was moved to approve the agenda.

**Motion:** Campbell; **Second:** Mendosa

**Roll Call:** Ayes; Campbell, David, Mendosa, Rosen and Johnson.

**Motion Carries**

**5. PUBLIC COMMENT**

There were no public comments.

**6. CONSENT CALENDAR**

6.1 Approval of Minutes from August 11, 2020 Regular Meeting

6.2 August 2020 Finance Report

6.3 Approve Exemption and Outstanding Payment Write-Offs to Specific Parcels for the 1997 Special Tax and 2006 Benefit Assessment

Upon the request of Director Mendosa, President Johnson read the consent calendar items aloud.

It was moved to open the additional account with Coast Central.

**Motion:** Campbell; **Second:** David

**Roll Call:** Ayes; Campbell, David, Mendosa, Rosen and Johnson.

**Motion Carries**

**9.2 Consideration of Petition for Adjustment of Fire Assessment Fees:** Chief McDonald reviewed the staff note and made his recommendation.

Director Mendosa queried if there was still a business active at this location. He then asked about the precedents that might be set, which the Chief mentioned in his report, was a concern.

Parcel owner George Green spoke to the Board at this time, emphasizing the small size of the commercial unit, comparing it to the size of the barn fire and how much larger the barn was as opposed to the 300 square foot barber shop. In Mr. Green's words, 22% of the parcel is has commercial use. His request was for the Board to consider a multi-family land use code instead of commercial.

Chief reviewed the Land Use Codes (LUC) and explained that historically the District has made decisions on reductions, based on circumstances surrounding the parcel use and the request.

There was a lengthy discussion, back and forth and questions from the Board to Mr. Green and Chief McDonald. Ultimately, the Board and staff agreed that the parcel is a pre-existing, non-conforming property and there is likely no other commercial property like it in the District.

Director Mendosa queried the Chief as to a recommendation on the Board's options in this particular situation. Chief McDonald advised that the Board cannot adjust the parcel based on a percentage of the commercial use, as there is no mechanism in place within the ordinance. He went on to inform the Board that they had the option to reduce the entire parcel to residential or decrease the use to the commercial office land use code, rather than the larger commercial that it is currently.

There were multiple attempts at a motion by Director Rosen, however Director Mendosa requested specific language be included in the motion. Director Rosen asked the Board clerk to craft the motion. Instead, Chief McDonald made an attempt with the language, which was restated by the Board Clerk to include the size of the commercial structure, again on the request of Director Mendosa.

It was moved to reclassify parcel #503-224-007 from a Land Use Code 5201 to Land Use Code 1100 based, on the extremely small size, 300 square feet, of the commercial building, based on the that fact that it is grandfathered in under the zoning ordinances of the City of Arcata.

**Motion:** Rosen; **Second:** Mendosa

**Roll Call:** Ayes; Campbell, Mendosa and Rosen. **Noes;** Johnson. **Absent;** David

**Motion Carries**

There was no response from Director David for the roll call vote and it was unclear if she was present for the remainder of the meeting or at what point her "electronic" connections may have been lost. She had reported, prior to the meeting, that her Zoom was not working and that her phone continued to be "unavailable" and kick her off.

Good afternoon Mr. Colwell,

Attached is the Petition for Adjustment form with instructions on how to fill it out and where to send it when completed.

In regard to your ADU question, if you get the second dwelling permitted as an ADU, it will only change one of the taxes but will decrease it. The City of Arcata would be your point of contact to start the process and they can advise what your taxes would be changed to.

Thank you,

## Petition for Adjustment of Benefit Assessment and/or Special Tax

A property owner of the Arcata Fire Protection District may appeal the use of property or the calculation of the Benefit Assessment and/or the Special Tax. An appeal may only be submitted for the current fiscal year. All petitions will be considered pursuant to Resolution 21-232. You may obtain a copy of Resolution 21-232 by contacting the District Office.

***Filing deadline for an appeal for the 2024-2025 Property Tax Bill shall be 5:00 pm on December 2, 2024.***

I do hereby petition the Arcata Fire District Board of Directors for a review of (place a "x" as applicable):

### **SECTION TWO – Reason for filing appeal**

Please provide specific reason(s) why the Benefit Assessment and/or Special Tax is being challenged. Among other things you may wish the District to consider, please state the parcel use category you contend should have been assigned to your property and all facts supporting your contention. (Use additional sheets as necessary.) You may attach permits, maps, pictures, letters or other data to substantiate the challenge.

The property is and always has been a working dairy and more recently a beef ranch in Arcata Bottom. It falls under Rural, Agricultural and has been charged \$132 in past years. The increase to \$176 appears to be an error. No buildings have been added in the last 30 plus years. The parcel is about 40 acres. Gary Nicholson lives in the ranch house on the property and operates a beef operation.

**To:** Board of Directors, Arcata Fire District  
**From:** Chris Emmons, Fire Chief  
**Subject:** Consider and Authorize a Request for Proposal for Engineering Study Services

---

**DISCUSSION:**

Staff has been researching future funding mechanisms for Arcata Fire District. As a component of the research, staff recommends that the Board consider whether and to what extent the District’s existing benefit assessment, which funds fire suppression services and was last updated in 2006, should be updated.

As initial step, staff recommends that the Board approve issuance of a Request for Proposal for engineering services. If a proposer is ultimately retained by the Board, the engineer will prepare a detailed study of our fire suppression cost and capital needs and make recommendations as to the appropriate level of benefit assessment.

Based on the findings of the engineer, the Board may, at a later date, decide to commence a Proposition 218 process to adjust our existing benefit assessment.

District Counsel will be present to answer any questions regarding the process.

**RECOMMENDATION:**

Staff recommends the Board consider the information provided, take public comment, discuss, and authorize staff to issue Request for Proposal (RFP) for engineering services to conduct a study of the District’s current and future fire suppression cost and capital needs.

**Subject:** Establish an Ad-hoc Focus Committee for Fire Services Provided to Cal Poly Humboldt

---

**DISCUSSION:**

At the January 14, 2025, Board of Directors meeting, there was a discussion of forming an Ad-Hoc Committee to establish and maintain a working relationship with Cal Poly Humboldt. The committee's focus would be safety, response, and fire district services to Cal Poly Humboldt.

The Board requested that Staff place the topic on a future agenda.

**RECOMMENDATION:**

Consider the information provided, take public comment, discuss, and appoint two members to serve on an Ad-Hoc committee. Your role in this decision-making process is crucial as these members will engage with Cal Poly Humboldt Administrative Staff regarding Fire Services provided by the Arcata Fire District to Cal Poly Humboldt.

**DISCUSSION:**

At the January 14, 2025, Arcata Fire District Board meeting, Director Loudenslager discussed drafting a letter to submit to the California State University administration regarding concerns regarding residents occupying the new multi-story Cal Poly Humboldt Buildings and the additional construction of mid-rise buildings.

The Board of Directors moved to have a letter drafted and reviewed by the Board before the submission.

Attachment 1 – Draft Letter to California State University Administration

(List names and addresses of all involved)

February 11, 2025

Dear Colleagues:

The Board of Directors of the Arcata Fire Protection District (AFD) is writing to your organizations, to request an in-person collaboration with our Board members and staff. As stakeholders, it is vital our organizations work together to address public safety needs at the 6 and 7 story Cal Poly Humboldt student resident halls currently under construction.

The need for this collaboration arises because AFD, as the designated first responder agency, does not have enough firefighters and apparatus / equipment capacity, to assure a safe and effective response to your multi story buildings that will house hundreds upon hundreds of people. A fire of any significance on any floor would generate a huge amount of toxic / deadly smoke, and the potential of creating a mass casualty event.

In the fall of 2022 (former) Fire Chief Justin McDonald and AFD Board directors Randy Mendosa and Eric Loudenslager, met with Cal Poly Humboldt Vice President Sherie Cornish Gordon, and Associate Vice President Mike Fisher. Our representatives explained the AFD is insufficiently staffed and equipped to meet the requirements of the University's planned building expansion. (see follow-up letter dated October 13, 2022 marked as ATTACHMENT- 1).

The Fire District was informed, the Cal Poly Humboldt process for expressing public safety concerns about the multi-story / high density resident hall building project, would be accepted through the public comment component of the Draft Environmental Impact Report (DEIR). On December 2, 2022, the AFD submitted a detailed letter to Cal Poly Humboldt, expressing our grave concerns. Consistent with the process established by Cal Poly Humboldt, the letter was submitted through Deidre Clem, Project & Space Analyst. (see ATTACHMENT -2)

On January 25, 2023, the CSU Board of Trustees approved the final Environmental Impact Report (EIR), concluding the issues and concerns about fire safety raised by the AFD were not applicable to CEQA requirements.

Also on January 25, 2023, State Senator Mike McGuire and Assembly-member Jim Wood, facilitated a zoom meeting with AFD, Cal Poly Humboldt and City of Arcata representatives. The outcome of that meeting was an agreement that AFD, Cal Poly Humboldt, and the City of Arcata would engage a public safety specialist to conduct a Community Risk Assessment and Standard of Coverage Study. Data from the study would provide guidance for determining staffing and apparatus / equipment needed

by AFD to safely respond and manage public safety emergencies in multi-story / high density campus buildings.

The consulting firm AP Triton, was contracted to conduct a Community Risk Assessment and Standard of Coverage analysis. Currently, staff from AFD, Cal Poly Humboldt, and the City of Arcata, are reviewing the initial draft. A final report for release to the public should occur in the next two or three months.

With a completed Community Risk Assessment and Standard of Coverage analysis in sight, we believe it is timely for Cal Poly Humboldt and the State of California to engage with AFD to plan a safe route for our future.

Currently, the AFD covers 62 square miles and five communities. Our regular staffing is only six firefighters divided between three fire stations. The AFD does not have a ladder truck, nor is it funded to purchase or even staff a ladder truck. Our current funding measures must be renewed by voters before 2030. If the funding measure fails, our current tight-staffed capacity would become even less than it is today. It would be unwise to expect Fire District voters would approve increased funding levels to support the Cal Poly Humboldt campus expansion.

The AFD Board hopes the State of California, and Cal Poly Humboldt, will recognize increased public safety requirements are necessary for the unprecedented expansion of the high density / multi-story buildings.

The AFD is largely funded by property taxes. The State of California naturally does not pay property taxes. The AFD hopes our organizations can collaborate and work together to secure adequate funding for the requisite public safety needs of your students, faculty and staff.

If your decision makers are interested in our request for collaboration, please contact Fire Chief Chris Emmons to coordinate the details.

Sincerely,

Jason Akana,  
AFD Board President

**Subject:** District Counsel Provided Governance Brown Act Workshop for Directors and Staff.

---

**Background**

In early January 2025, staff met with the District Counsel to discuss training and continuing education of Directors and Staff relative to Governance Brown Act requirements for elected Boards and the staff that serve them.

The District Counsel, with their extensive knowledge and experience, has advised that they could provide a Governance Brown Act Workshop at the monthly Board of Directors meeting.

**Background**

The District ended CY 2024 with 3644 calls for service, an increase of 104 incidents or 3.3% from the previous year, a testament to our team's dedication and efficiency.

❖ CY 2024 ended as the third busiest year on record.

Staff will make a quick presentation at the meeting, but these are the highlights ;

- 161 Fire Incidents (Down 35% from the year prior)
- 2 Overpressure /Overheat Incidents
- 2061 Medical/Rescue Incidents (Up 1%)
- 75 Hazardous Conditions (Down 18%)
- 400 Service Calls (Up 32%)
- 601 Good Intent Calls (Up 9%)
- 335 False Alarm Calls (Up 10%)
- 4 Severe Weather Incident

❖ August, October, and November were the busiest months for 2024.

Value loss versus saved is considered the District's report card. For CY 2024, the District had a remarkable 95% save rate, a testament to our team's commitment and expertise.
